

Dear UCSD Physics Student:

In this course you will be using MasteringPhysics, an online tutorial and homework companion to your textbook.

Student Registration:

- Go to <http://www.masteringphysics.com/>
- In the *Register* box click on *New Students*.
- Select “Yes, I have an access code.” and click “Continue.”
- Two things to type:
 - a. If you already used MasteringPhysics in a previous course, you must have an account. So select the button *Yes*. Else select *No*. If you have an account but forgot the login data, select *maybe*, type in your email and your login information will be sent to you. The remaining instructions below are for the case you clicked *No*. Those of you with an existing account should be familiar enough to complete the process without trouble.
 - b. If you selected the button “No” you will be prompted to choose a username/password combination. Save this information.
 - c. Scroll down and type in the Access Code
USSMPS-TTBBO-FUSSY-CURVY-GUSTO-POPES
in the fields provided (enter one “word” per box, or click “switch to a single box for pasting your code” and copy and paste the access code above).
- Account information:
 - a. Enter your *Name* and *Email*. You must use a valid UCSD email address (extension students without UCSD address may enter a non-UCSD email address)
 - b. Select *Your School Country* and enter our *Zip Code: 92093*. This will then show a list of schools. Select **UNIV OF CALIF – SAN DIEGO**
 - c. Select a *Security Question* and enter an *Answer*, and click *Next*.

If successful, you will receive a *Confirmation & Summary Screen* with your registration information (this information will also be emailed to you). Click on *Log in Now* just below *MasteringPhysics* towards the bottom of the screen.

Enrolling in The Course:

You will need to “enroll” in your MasteringPhysics course to be included in your instructor’s gradebook.

- If you are continuing from above you are at a log in screen for MasteringPhysics. Else go to www.masteringphysics.com.
- Under the “Log In” box enter the **login name and password** you created and click **Log In**.
- Screen that starts with “If you received a Course ID from your instructor...”
 - From the “—Select a Book—” pull down menu, select **Knight, Physics for Scientists and Engineers, 2e**
 - Enter your **Quiz ID** in the field labeled *Student ID*. **Do not enter your UCSD ID** (the one starting with “A” followed by nine digits). You must enter the three digit QUIZ ID in this field! Failure to do so may result in lost homework credit.
 - For *Course ID* enter **S09PHY2B**
 - Click *Save* and answer *yes* to the warning popup screen about updating your account.

Congratulations! You now have access to MasteringPhysics. To access your course from now on, simply go to www.masteringphysics.com and enter the login name and password you just created.

System Requirements & Technical Support:

- II Check the “Minimum System Requirements” to make sure you have everything you need to run Mastering Physics.
- II View the “Navigating Mastering Physics” page to practice using the Mastering Physics navigation.
- II Go to <http://www.masteringhelp.com> and click “MasteringPhysics” for Frequently Asked Questions, minimum requirements, and extensive online help resources.
