

Department = Physics
Course = 1B
Date = 05/07/10
Notes = Chang Feng
Notes = Quiz 3

Number of Students: 292
Class mean (Raw): 4.318
Standard Deviation 1.821
Class mean (Percent) 53.981
Standard Deviation 22.767

Student ID	Raw	Percent

Note:

For every quiz, you need to correctly write down your **code** assigned in the first time!

For every quiz, you need to mark your **version**!

If you have any question regarding the grade, please contact the TA as soon as possible.

If you don't remember your code, please email cfeng@physics.ucsd.edu
